

HILL HOUSE • ARCHWAY CONSULTATION EVENT

3.30 - 7.30pm on Friday 17th June and 11am - 2pm on Saturday 18th June

As you will be aware, work has been underway at Hill House to convert the building into residential use, to re-clad the building and to extend the height of the tower by two floors following receiving planning permission from Islington Council.

We have been working hard over the past few months to progress our plans for the redevelopment of the rest of the site including improving the public realm, delivering new homes to the rear of the site, providing new retail spaces and improving the area along Highgate Hill.
